

Technical Data Sheet

ARO-BOND® 710

ADHESIVE HOTMELT STICKS - GP

Aro-Bond® 710 is a general purpose, unfilled and semi-transparent hot-melt adhesive specially formulated for quick gluing.

Aro-Bond 710 Hotmelt is used in all industries, for gluing wood, upholstery, leather, textile, automobile, electricity, ceramics, cardboard, shoes, metal DIY and many more applications.

BENEFITS

- Medium viscosity
- Low odour
- Excellent thermal stability
- Medium open time
- High initial tack
- Quick setting time
- Provides good adhesive on a wide range of substrates

TECHNICAL DATA

Brookfield viscosity:	8,500-11,000 mPas
Application temperature:	170-210°C
Open Time (180°C):	Medium
Softening Point (R&B):	92-96 °C

AVAILABLE COLOURS

Semi-Transpaparent

AVAILABLE SIZES

- 1kg Pack
- 10kg Carton

PREPARATION AND APPLICATION

Aro-Bond 710 Hotmelt sticks are applied by Thermo-gluing gun. It works at temperature applications between 170-210°C

Moisture of the materials to bond: 8-10%

The surfaces to join must be perfectly clean and without dust.

HANDLING & STORAGE

Aro-Bond 710 can be stored for at least 2 years in the following conditions: Keep product in a cool (between +5 and +35 °C) dry (WR <60%) and ventilated area away from direct sunlight, heat sources and points of ignition. Avoid frost. Always store in original container tightly closed.

For further information, please request safety data sheet.

DISCLAIMER: Due to the variation in materials likely to be handled by prospective users of this product, together with differences in production techniques and ultimate performance required, it is important that this product is thoroughly evaluated under production and end use conditions before being commercially adopted. Such an evaluation should incorporate an ageing test and this test should be repeated if the substrates on which the this product is used are changed in any way or are purchased from a different source. During the evaluation and testing of the product, it is the purchasers/end user's responsibility to carry out appropriate actions for the protection of the environment, the health and safety of its employees and purchasers of its products. No employee of Ureka Global Ltd has any authority to waive or change the forgoing provisions. The above recommendations are made in good faith for the guidance of users and are without liability. Any queries should be made in writing to the head office of Ureka Global Ltd.
