

Technical Data Sheet

# TURFSTIKK® PU500 ACCELERATOR

**TURFSTIKK® PU500 ACCELERATOR IS A CATALYST DESIGNED TO ACCELERATE THE CURING OF TURFSTIKK® PU500 TWO-COMPONENT POLYURETHANE ADHESIVE, WHEN USED IN LOWER TEMPERATURE ENVIRONMENTS.**

### BENEFITS

- Non-Flammable
- Free of Solvents

### TECHNICAL DATA

Appearance	Liquid
Viscosity (20°C):	800 +/- 100 mPas
Specific gravity:	0.97 g/ml (20°C)

### AVAILABLE SIZES

60ml bottle	for 6kg Kit
150ml bottle	for 15kg Kit

## PREPARATION AND APPLICATION

The required amount of Turfstikk® PU500 Accelerator is weighed and stirred homogeneously into the Turfstikk® PU500 two-component Polyurethane adhesive.

The curing times achieved depend on the amount of accelerator added.

As a guide 1% addition of Turfstikk® PU500 Accelerator added to the mixed Turfstikk® two-component adhesive will give 70 mins pot life at 10 °C.

## HANDLING AND STORAGE

The product use safety instructions regarding transportation, handling, storage and disposal are described in the Safety Data Sheet, available on request.

Turfstikk® PU500 Accelerator should be stored closed, in the original containers, at a temperature range of between 15°C to 30°C. In these conditions it has a storage life of maximum 12 months.

**DISCLAIMER:** Due to the variation in materials likely to be handled by prospective users of this product, together with differences in production techniques and ultimate performance required, it is important that this product is thoroughly evaluated under production and end use conditions before being commercially adopted. Such an evaluation should incorporate an ageing test and this test should be repeated if the substrates on which the this product is used are changed in any way or are purchased from a different source. During the evaluation and testing of the product, it is the purchasers/end user's responsibility to carry out appropriate actions for the protection of the environment, the health and safety of its employees and purchasers of its products. No employee of Ureka Global Ltd has any authority to waive or change the forgoing provisions. The above recommendations are made in good faith for the guidance of users and are without liability. Any queries should be made in writing to the head office of Ureka Global Ltd.
